EDUCATION

Case Western Reserve University Cleveland, OH
Bachelor of Science Computer Science, GPA: 3.2 Expected Graduation: May 2019

LANGUAGES

Java, JavaScript, jQuery, HTML, CSS, Less.js, Python, CoffeeScript, Flask, Django, C#

Experience

Software Engineering Intern: Certified Security Solutions Independence, OH **Summer 2017**

- Worked with a team of 3 interns to create an encrypted email platform
- I was in charge of the API portion of the project
- Did a series of bug fixes on the current live CMS software

Software Development Intern: Testive SAT/ACT Prep Boston, MA **Summer 2016**

- Designed, coded, and deployed a fully functioning referral page that sends out customer text messages and emails via Twilio
- Created a suite of unit tests for the current Testive Website
- Created a mobile friendly version of the register lander page
- Company had about 10-12 employees

PROJECTS

Personal Website (HTML/CSS/JS/jQuery) **February 2017**

- Personal website that displays understanding of web dev functionalities.
- Contains information about past projects, about me, and my resume
- <http://vsp20.github.io>

Bartenderly Application (HTML/CSS/jQuery/AJAX) **Summer 2017-Current**

- Using CocktailDB API, creating an extension that allows you to search for cocktails by ingredient, drink, or randomly
- Used to make finding your drink a quick and easy process

Expedia Mock Application (Java/XML): **Fall 2016**

- Created Java application which returns the lowest prices for flights from and to input airports using Skyscanner API.

Weather API 7-day forecast (Python) **Summer 2016**

- Created a program in Python that properly accesses the Weather API in JSON and returns the 7-day forecast of the inputted city

LEADERSHIP Experience

Design for America: Case Western Reserve University Cleveland, OH **Spring 2016**

- Group that strives to build leadership while making a meaningful social impact
- Lead a DFA group of three, where I managed a group that worked with a local community dealing with a food desert (community cooking classes)

TEDxYouth@CCHS: Central Catholic High School Lawrence, MA **Spring 2014/15**

- Co-Founded club at my high school; has entirely shaped me into the leader I am today
- Led team of 35 students to organize TEDx event at high school with mission to help spread ideas and inspire the surrounding community
- Leader of financial and sponsorship departments and helped manage all others.
